FINAL SSWR 2019 Conference Clusters and Topics

1. Adolescent and Youth Development (ADOL)
   Adolescent Violence/Delinquency/Homelessness
   Adolescent Sexual Health/Reproduction
   Adolescent Health
   Adolescent Substance Use and Abuse
   School and Out of School Time Experiences among Youth
   Youth Development
   Early Adolescent Development
   Adolescent Mental Disorders and Mental Health and Wellbeing
   Transition Age Youth/Emerging Adulthood
   Adolescents – Special Populations (Minority/Indigenous Youth)

2. Aging Services and Gerontology (A&G)
   Long Term and Palliative Care
   Caregiving for Older Adults
   Productive Aging
   Housing
   Mental Health
   Social Networks & Supports
   Diverse Elders
   Elder Abuse
   Health Promotion and Disease Prevention
   Intergenerational Relationships/Grandparenting
   Case Management
   Economic Well-being
   Technology

   Environmental health, justice, sustainability, and disaster response
   Historical trauma and intergenerational trauma
   Trauma, discrimination, interpersonal and family violence, and injury prevention
   Social, Cultural, and historical determinants of health
   Resiliency, identity, and well-being
   Spirituality and traditional healing and health practices
   Decolonizing and Indigenist methodologies
   Community/Tribally Based Participatory Research
   Communities and place-based/settings-based interventions
   Tribal sovereignty and Indigenous policy
   American Indian Health Care, indigenous health and health inequities
   American Indian child welfare, indigenous family and child wellbeing
   Chronic diseases: Diabetes, obesity, HIV, cancer
   Mental health and Suicide prevention
   Alcohol, tobacco, and substance use, abuse prevention and treatment
   Social services
   Criminal and juvenile justice
   Kinship/Foster Care/Adoption
   Safety/Maltreatment/Neglect/Abuse
   Child Welfare Services, Systems, and Workforce
   Permanency/Post-Permanency
   Prevention and Intervention
   Family Preservation

5. Communities and Neighborhoods (C&N)
   Community organizing/mobilization and collective action
   Civic Engagement and participation
   Community based participatory research
   Community level intervention research
   Community capacity building (assets and social capital)
   Community/neighborhood development and sustainability (including environmental justice issues)
   Government/state impact on communities
   Neighborhood indicators/effects and community health/well-being

6. Crime and Criminal Justice (C&CJ)
   Criminal Justice System
   Delinquency and Offending
   Juvenile Justice Administration
   Law and Policy
   Re-entry

7. Disability (D)
   Access, Universal Design, Usability, and Assistive Technology
   Caregiving and Caregiving Supports
   Definitions, Measurement, Frameworks and Disability
   Disability Research Methodology
   Disability across the Lifespan
   Disability Policy, Programs and Services
   Disability, Quality of Life and Health/Mental Health Outcomes
   Discrimination and Disparities
   Diversity and Disability
   Inclusion, Community Participation

8. Gender (G)
   Gender: Women’s/Men’s Issues
   Gender: Bias/Gaps/Disparities
   Sex Work
   Gender Discrimination
   Intersection of Race, Class, and Gender
   Reproductive Health
   Public Policy and Gender
   Health and Gender
   Gender and Family
Masculinity
Feminism

9. Health (H)
Health and Illness
HIV/AIDS
Health Promotion and Education
Integrative Health
Inclusion, Access and Disparities
Public Health Social Work

10. Inequality, Poverty, and Social Welfare Policy (IP&SWP)
Causes and correlates of inequality and poverty
Consequences of inequality and poverty
TANF, SNAP, Medicaid, and other social welfare programs
Homelessness and Housing

11. International Social Work & Global Issues (ISW&GI)
Global issues and international social work
International Development (economic, human and social
Comparative studies, policy and practice
Human rights-based approaches and human rights violations
Human security, conflict, peace and reconstruction
International migration

12. Immigrants and Refugees (I&R)
Immigrant adaptation
Immigration policy and enforcement
Forced migration and internal displacement
Refugee resettlement policies and practice
Legal status and citizenship
Immigrant health and mental health

13. Mental Health (MH)
Depression
Serious Mental Illness
Mental Health Treatment and Services
Co-morbidity
Systems of Care
Trauma Exposure
Trauma-Informed Care
Psychiatric Epidemiology
Prevention and Resilience
Psychiatric/Psychotropic Medications

14. Military Service Members, Veterans and Their Families (MSVF)
Combat and deployment trauma and stressors
Military sexual trauma (MST)
The military family and community
Risk-taking behaviors within the military
Veteran suicides and homelessness
Military leadership
Military policy and programs
Sexual orientation and military service
Women in the military

15. Organizations & Management (O&M)
Organizational Behavior, Adaptation, and Change
Management Science and Leadership Studies
Interorganizational and Intraorganizational Collaboration and Networks
Implementation Science- Evaluation, Diffusion and Sustainment of Policies and Program Practices
Social Entrepreneurship and Innovation
Workforce Diversity, Inclusion and Well being
Funding, Contracting, and Accountability
Advocacy

16. Race and Ethnicity (R&E)
Racial Policies, Issues, and Gaps
Anti-Racism
Racial and Ethnic Discrimination
Ethnic Minority Groups
Ethnic Minority Wellbeing
CBPR with Ethnic Minorities

17. Research Design and Measurement (RD&M)
Intervention Research
Measurement/Psychometrics
Community-Based Participatory Research
Qualitative Research
Biobehavioral/Translational Science
Quantitative Research
Implementation Research
Social Epidemiology
Secondary Data Analysis
Mixed Methods
Systematic Reviews

18. Research on Social Work Education (RSWE)
Evaluation Research
Educational Outcomes
Scholarship of Teaching and Learning
Engaged Teaching and Learning

19. School Social Work (SSW)
Education, Behavior, and Mental Health Services and Practices
School Climate and Culture Conducive to Student Learning and Teaching Excellence
Access to School-based and Community-based Resources
Macro Educational Policy and Advocacy

20. Sexual Orientation and Gender Identity (SO&GI)
Health and Well-being
Policy and Practice
Research Innovations
Discrimination and Bias
Intersectionality
Other LGBTQ Issues

21. Social Work Practice (SWP)
Evidence Based Practice
Ethical Issues
Cultural Competence
Practice Innovations
Intervention Research
Macro Practice
Direct Practice
Policy Practice
Workforce Development

22. Substance Misuse and Addictive Behaviors (SM&AB)
Substances: Alcohol, Tobacco, Prescription and Other Drugs
Non-Substance Addictive Behaviors: Gambling, Sex, Technology, and Others
Substance Misuse and Addictive Behaviors over the Life Course
Intervention: Prevention, Treatment, Services, and Recovery
Epidemiology and Etiology
Addictive Behaviors and Co-Occurring Problems
Substance Misuse and Addictive Behaviors Policy
Assessment, Measurement, and Research Methods
Family, Workplace, and Community

23. Sustainable Development, Urbanization, and Environmental Justice (SDU&E)
Climate change, extreme weather events, and natural disasters
Urbanization
Environmental justice
Urban-rural livelihoods
Food security
Water, sanitation, and hygiene
Environmental and zoonotic diseases and pandemics and One Health
Sustainable development and environmental sustainability
Disaster risk reduction, preparedness, and response
Environmentally induced migration and displaced populations
Community adaptation, resilience, and capacity building
Socio-environmental interventions
Spatial methods and analytics
24. Violence against Women and Children (VAWC)
Children Exposed to Violence
Human Trafficking
Intimate Partner Violence
Sexual Violence
Dating Violence
Intersections of Violence & Trauma
Power, Control, and Inequality-based Violence

25. Work and Work-Life Policies and Programs (WWLP&P)
Jobs, employment – including unemployment and underemployment and job quality
Worklife, work/family, worker health, well-being, and performance
Workplace-based interventions
Occupational social work, employee assistance, occupational health and safety
Labor and management, unions
Job training and placement
Work and gender, child care, breastfeeding in the workplace, fathers’ parental leave
Workplace policies and programs (e.g. family leave, labor standards, workplace diversity and equality)

Research Method/Type:
Advanced Statistical Analysis
Community Based Participatory Research
Descriptive
Experimental
Longitudinal
Mixed Methods
Program Evaluation
Psychometric Instrumentation Study
Qualitative Methods - Case Study
Qualitative Methods - Ethnography Theory
Qualitative Methods - Grounded Theory
Qualitative Methods - Narrative
Qualitative Methods - Phenomenological
Qualitative Methods - Other
Quasi Experimental
Survey
Systematic Review/Meta-Analysis
Time Series (including Single Subject Research)
