Membership Demographic Questions on Gender Identity and Sexual Orientation

To implement SSWR's Strategic Plan 2018-2022, SSWR has undertaken efforts to increase the diversity and inclusivity within the membership and to enhance member engagement and member satisfaction through programming and other opportunities. SSWR has identified gender identity and sexual orientation as two of these aspects. (Please go to <https://secure.sswr.org/sswr-member-news/> to read more from the SSWR Board of Directors.) Please note these are required questions on the online form when paying by credit card; however, you have the option to select "prefer not to say." If you prefer not to respond in any manner to these four demographical questions (e.g. ethnicity, gender, sexual identity, and disability) for privacy reasons, you may register using the PDF registration form. Follow instructions on the PDF registration form to submit.
