JOIN or RENEW TODAY. For your convenience, you may join/renew your 2021 membership when you register for the virtual conference OR the SSWR membership application is available online at sswr.org. If you join or renew your membership for 2020 before you register your new/updated contact and demographic information will not be reflected on the registration form in real-time; you will need to re-enter your information. Please note, if you are a presenter you must be a current member at the time of your presentation in 2021 regardless of when you register. Membership questions: please contact DeeJay Garringo, CAE, Program & Membership Director, at info@sswr.org or call 703-352-7797, ext. 2.

Volunteers who do not complete their shifts will be responsible for the conference fee and may not be accepted as a volunteer the following year. Students who are also presenters may schedule their volunteer time so it does not conflict with their presentation(s).

Membership Demographic Questions on Gender Identity, Sexual Orientation, Race and Ethnicity

In 2019, the Membership Committee, chaired by Lin Fang, employed a systematic process to modify the sexual orientation/sexual identity and gender identity questions on the membership form. The goal of these modifications is to ensure that the membership form captures the most accurate and inclusive information about our SSWR constituents. This information will be used to tailor programs and practices that more effectively address diversity and inclusion within our organization. Currently, the main charge for the 2020 Membership Committee is to undergo a similar process to modify and update the current questions about race, ethnicity and disability on the membership form. In sum, we aim to complete this process and have the membership and registration forms updated in Fall 2021; in time for the 2022 SSWR annual meeting. The membership committee will continue to utilize a transparent process that is responsive to the membership. We appreciate your support as we embark on this journey and welcome the involvement and feedback of membership.

We expect these meetings to take the form of a "virtual coffee date" during the conference. This is a great opportunity for faculty and students across institutions to connect! Sign up deadline is 12/21/2020. SSWR will make the best efforts to match applications received by deadline. If you would like more information, please contact Alicia Mendez at alicia.mendez@rutgers.edu. Thank you for your interest in our mentorship program.
